No matter what the weather the deck offers something for everyone. Overlooking the fenced rear yard it even doubles as a great outdoor play space for the kids or simply a tranquil haven to escape to when you are seeking time out.

Families will love the large fully flat fenced rear yard which provides a safe place for the kids and family pets able to play in, around, and under the recently painted cubby house! There is even a separate shed with new roof for the car. Under the house you will find additional car accommodation and cemented storage and workshop space.

With schools, major shopping centre, sports fields and more just a block away they don't come more conveniently and centrally located than this. Contact Robyn Hun on 0448 448 758 and arrange your inspection as soon as possible!
