access for three vehicles or room for a big work shop or just space to store the boy toys.

You will be hard pressed to find such a pretty property with beautiful cottage gardens and a variety of fruit trees. This property was well known for selling organic avocados in a stall out the front. The avocado trees are still flourishing along with other wonderful citrus and fruit trees. There is room for a chook pen and even a good, fenced off paddock to keep a horse or pony.

This property has an easement to water and it is a plentiful supply. There is an expansive cement slab area on one side of the property that would be a good foundation for an extra shed or even a separate studio.

Situated minutes from Alstonville village, close to the coast and the beaches and river at Ballina with easy access to Lismore, Bangalow and Eltham. Local schools are close by for the kids to get to school.

Location is key for those wanting to enjoy living the country life yet close to town conveniences. To inspect call exclusive agent Melanie Stewart on 0421 560 936.
