garden shed is hidden at the rear to store all the gardens tools and extra items.

There is also a fourth room and second toilet at the other end of the home, adjoining the long, single lock up garage. This room is private and would easily suit a home office/fourth bedroom, or run a business from your home. The alternative is to convert this to a full granny flat or studio for an in-law, or use for a teenager retreat, or just have that extra games room for the kids. With a double carport at the front there is plenty of space for that often sort after undercover car accommodation.

The yard is fully fenced and you and the kids will just love the pebble crete, large, resort style swimming pool. There is solar power, easy care timber look floors throughout all the living areas, timber venetians, and new carpet in the bedrooms, so defiantly there is no renovation required on this property!

This well presented home is surrounded by tropical and native gardens that make for a very private setting. A short walk to the town centre, local schools and sporting grounds make this property a real family favourite! The owners have already re-located so are looking to quickly sell this home, given the excellent pricing Melanie feels this one won't last long. It's a fact that you couldn't replace this home and pool and inclusions in this price range, she suggests that serious buyers book a viewing today. Call Melanie on 0421 560 936, you won't be disappointed.
