home has neutral tones throughout and quality fixtures and fittings. Definitely nothing to spend on this one, move in and enjoy the village lifestyle.

This property is a short stroll to schools, shopping centre, eateries and parks. The block is flat with easy care shrubs and flowering plants and the occasional fruit tree. Men will be really impressed with the large 6m x 6m two bay shed in the rear yard, great for storing all the boy toys while having a workshop, there is side access allowing ease of access for a van or boat. Solar hot water and 1.5KW solar is in place.

Ideally this home would suit a retiree or a young family starting out - this is low maintenance living at its very best!! The current owners are moving closer to the grandkids interstate and are looking for an immediate sale. You would be hard pressed to find such a well-cared for and presented home as this one.
